

## Scoring System Information:

Each class will run 2 motos. For the overall the scores of both motos will be combined. In the event of a tied total score, the last moto is the tie breaker. For example: Rider #1 gets first place in the 1<sup>st</sup> moto and gets third place in the 2<sup>nd</sup> moto, his total would be 4. Rider #2 gets second place in the 1<sup>st</sup> moto and second place in the 2<sup>nd</sup> moto, his total would also be 4. Being Rider #2 ranked higher in the main event, he would get 1<sup>st</sup> place.

In the event a class is too large, qualifiers will be run and only the Main Event is scored. Qualifiers are broken down into two qualifying heat races. The top 5 out of each heat race advance to the main Event. All others get to run in the last chance qualifier, the top 4 from this race will advance to the Main. Riders not racing in the Main event will not be ranked but will receive 5 points towards the series total for attending.
